

Printing Instructions

Round Labels

- Use Avery 2-inch round labels or equivalent.
- Run a test sheet of plain paper through the printer first to check alignment and paper direction.
- Print on sticker sheet.
- Place stickers on jars after filling and sealing.
- Make sure to write Made On date on label!

Hang Tags

- Use plain or colored cardstock.
- Run a test sheet of plain paper through the printer first to check alignment.
- Print on cardstock. Write Made On date on the tag.
- Cut out tags following lines. Punch a hole at the top to hang.
- Run a piece of kitchen string, ribbon, or twine through the tag. Tie to jar.
